on**

**"Nutritional Technologies to Augment Livestock,
Poultry, Canine and Fish Production for
Global Competitiveness"**

**DEPARTMENT OF ANIMAL NUTRITION
GURU ANGAD DEV VETERINARY AND ANIMAL SCIENCES
UNIVERSITY, LUDHIANA-141004, PUNJAB (INDIA)**

16th to 18th November, 2022

INVITATION

Animal Nutrition Society of India (ANSI) cordially invites you to its 19th Biennial International Conference, 2022 (ANSICON 2022) to be held in the Department of Animal Nutrition, Guru Angad Dev Veterinary and Animal Sciences University, Ludhiana from 16th to 18th November, 2022. The livestock, poultry and other animals feed industry, irrespective of scale and size, is an integral and growing segment of the food supply chain and social upliftment of society. The theme of this conference gives recognition to the recent rapid technological, scientific and industrial developments which have taken place in this sector and uses these as baseline for the prediction of future trends in nutrition. Balanced feed is vital for the health, fertility and optimal performance of animals and aquaculture. As vital links in the food chain, the feed manufacturer and the nutritionist must give due consideration to changing social and economic scenario of the society. Although the feed cost remains the main deciding factor to make animal and fish husbandry profitable but food safety, welfare of the animals and environmental protection should also be given due consideration which are attracting new legislations, so these are to be focused by the Nutritionists. To focus on above aspects number of eminent academicians, scientists, students, industrialists, policy makers and farmers are likely to grace the event.

ABOUT HOST INSTITUTE

Guru Angad Dev Veterinary and Animal Sciences University (GADVASU), Ludhiana was established in 2006 to serve the society by promoting livestock production, health and prevention of diseases through integrated teaching, research and extension programmes. There are six constituent colleges viz. College of Veterinary Science (Ludhiana and Rampura Phul Campus), College of Dairy Science and Technology, College of Fisheries, College of Animal Biotechnology and Veterinary Polytechnic College, Kaljharani along with three Regional Livestock Research & Training Centers and three Krishi Vigyan Kendras. The university has two affiliated colleges (Khalsa College of Veterinary and Animal Sciences, Amritsar and Baba Hira Das Ji College of Veterinary Pharmacy, Badal,

Sri Muktsar Sahib). The Indian Council of Agricultural Research (ICAR) has accredited university with 'A' grade and ranked First among the Indian State Veterinary Universities and Seventh amongst Agricultural Universities in 2019-20. GADVASU has established viral testing laboratory for testing COVID-19 and made significant contribution to the 'Mission Fatch' of the Govt. of Punjab. Under its One Health Program GADVASU has so far conducted more than 5.5 lakh Covid test for making the community safe. GADVASU has state-of-the-art diagnostic and treatment facilities in its Multi Speciality Veterinary Hospital (MSVH). With an annual OPD of nearly 32000 farm and pet animals, MSVH caters the need of animal owners from all over North India. GADVASU also have DBT-Canine research centre and working in various areas like Canine Nutrition, Vaccine Delivery System, Diagnosis and Bio markers for various diseases etc.; Department of Animal Nutrition is concentrating its efforts on improving the low cost technologies for farmer's use. Department is regularly manufacturing Area Specific Mineral mixtures (for different climatic zones of Punjab), Mineral Mixtures for high yielding animals, Fortified Bypass Fat and Uromin Lick; supplying at nominal rates to the farmers. GADVASU is the 1st in India to promote Pig Specific Mineral Mixture. The Fish Specific Mineral Mixture is also being launched shortly.

ABOUT THE CITY

Ludhiana is the largest Industrial city of Punjab and was established by the Emperor Lodhi in 1481. It is also known as "Manchester of India". City is well known for small scale industries, hosiery goods, bicycles, auto parts, & textiles.

WEATHER AND ACCOMMODATION

The weather in Ludhiana is generally pleasant in November (Day temperature 26-28°C, Night temperature 15-18°C). Participants may bring light woolen garments. Limited accommodation (on payment basis) is available in Guest Houses (for faculty) and Farmer's Hostels (for students) at GADVASU and PAU, Ludhiana on first come first serve basis (subject to prior registration along with fee). Numbers of good hotels (4 and 5 star category) are also available near the GADVASU campus (Nagpal Regency, Radisson Blu, Hyatt Regency *etc.*)

TRANSPORT

The city is located approximately 100 km from Chandigarh, nearest airport is Shaheed-E-Azam Bhagat Singh, Chandigarh and 320 km from New Delhi which is well connected with superfast trains like Shatabadi, Rajdhani & Vande Bharat. Distance from Ludhiana Railway station (station code:LDH) & Bus stand to University campus is about 5 km which can be easily covered by frequent taxi or auto rickshaw services.

VENUE

The venue of the conference will be Nirvana Hotel, (www.nirvana.co.com) Hambran Road 4 km from the University. Nirvana introduces a lifestyle that integrates the very finest in uber luxury and exhilaration in the city of Ludhiana. Against the backdrop of eternal serenity, swathed in overwhelming luxury is the stunningly set 17 acres of Nirvana, cocooned in an oasis of tranquility and natural splendor.

TECHNICAL SESSIONS

There will be eight technical sessions besides poster presentations covering following aspects:

Session I: Farmers- Industry-Scientist Interface

Session II: Ruminant Nutrition

Session III: Poultry Nutrition

Session IV: Swine Nutrition

Session V: Canine Nutrition

Session VI: Fish Nutrition

Session VII: Fodder Nutrition & Processing Technology

Session VIII: Novel Feed Additives

MODES OF PRESENTATION

Lead Papers: 15 minutes for Power point presentation and 5 minutes for discussion.

Oral presentation: Maximum 7 minutes for Power point presentation & 3 minutes for discussion.

Poster presentation: Informative, attractive and self-explanatory posters with dimensions of (24W x 36L inches)

SUBMISSION OF ABSTRACT

Participants are invited to submit their original research-oriented abstracts for different sessions in extended format not exceeding 800 words. It is suggested that abstracts may be submitted by visiting www.ansi.org.in and then proceed to abstract submission for ANSICON-2022. Upload all the details and submit, before October 10th, 2022. Authors will be informed for the mode of presentation (oral/poster) after screening committee's approval. The abstract may be submitted directly on ansicon2022@gmail.com

FORMAT OF THE ABSTRACT

Font: Times New Roman; Size: 12; Line Spacing: 1.5 (except affiliation - 1.0). For title, authors, affiliation, presenting author's email, Introduction, Objective, Materials & Methods, Results & Discussion, Conclusion follow the guidelines of *Indian Journal of Animal Nutrition*; December 21 issue. It may contain maximum two tables and one figure.

IMPORTANT DATES

Last date of Abstract submission: **10th October, 2022**

AWARDS

Best presentations will be awarded (separate awards for students and faculty) in both oral and poster presentation categories for each session.

REGISTRATION FEE

Category	Registration charges (Rs) (Before 04.11.22)	Registration charges (Rs) (After 04.11.22)
ANSI members	8000	8500
ANSI non members	9000	9500
Students*	4000	4500
Accompanying person	4000	4500
Foreign delegates \$	150	200

*Students are requested to submit a certificate from the HOD/Dean of the college for their bonafide status.

MODE OF PAYMENT

Online & Cash (on the spot registration) account details:

Name of the Account: Organizing Secretary Ansicon 2022

Bank Name: Axis Bank Ltd., PAU Ludhiana Branch (Sol id 4809)

Account No.: 922020029536291

IFSC Code: UTIB0000042 **SWIFT Code:** AXISINBB042

TOUR FACILITY

Tour to Shri. Darbar Sahib, Amritsar and Attari Border will be arranged on prior request.
